My Junior year I started playing football for the new football coaches here at the high school.

My Junior year I took my girlfriend to our first prom.

At the beginning of the football season I got hit really hard in the head twice & ended up w/ double up concussions, & my doctor made me quit.

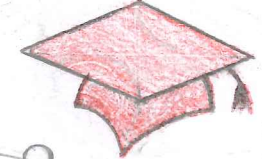

I went to San Diego for a week to go to the Zoo, Lego Land, Sea World, & the Aerospace Museum.

San Diego

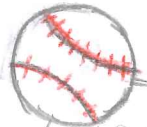

This year I took the ASVAB, I scored so high that an Air Force recruiter called me.

This year I also got my first car, a Suzuki Samurai.

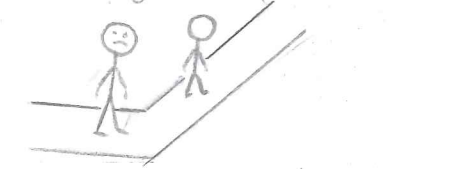

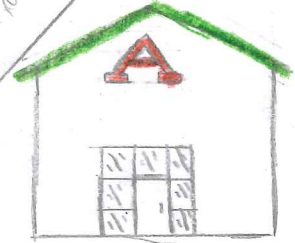

My brother & sister both graduated my freshman year.

My freshman year I also played JV Baseball

At month into my freshman year, I became really good friends w/ a junior girl named Jystem & we hung out at the A Wall

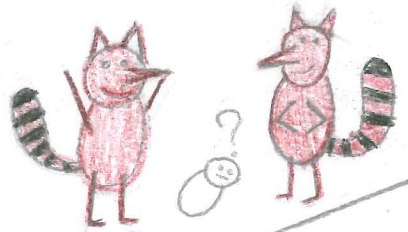

which was pretty sucky

In 4th grade my best friend moved away & changed schools so we couldn't hang out anymore.

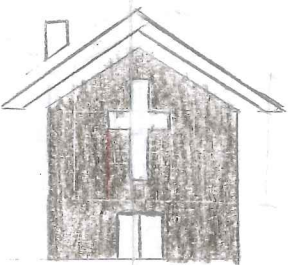

Moved to Lindsay when I was 3

I was born on October 1st, 1998 into a family of wild raccoons in the lower district of Columbia.

In 2012 I started my first year of high school at Lindsay High.

At the beginning of my sophomore year my brother Roman left to New Mexico to live with a family member & I havnt seen him since.
